

3rd World Summit on Elder Mediation

Crowne Plaza, Chicago , USA

May 10-12, 2010

As the needs of families become more diversified and our population gets older, age related issues are steadily finding their way into a variety of fields of service. Increasingly, mediators are required to become more specialized in their training to meet this burgeoning demand. Join with professionals from North America and Europe to share information and develop new learnings. Have some fun in the beautiful “windy city” - join your colleagues for a Lake Michigan/Chicago River Dinner Cruise!

Topics will include:

- ✱ Ethics
- ✱ Training & Credentialing
- ✱ Models for Elder Mediation
- ✱ Elder Abuse
- ✱ Dementia, caregiving & guardianship
- ✱ Legal issues
- ✱ Research projects
- ✱ New Elder Mediation Initiatives
